

Cartel Games To Publish Vermillion Games' Mythic Blades

The Olympus is divided! Ares, God of War has challenged his father, Zeus, in the computer game Mythic Blades.

For Immediate Release

PROVO, Utah/EWORLDWIRE/Oct. 20, 2004 --- Cartel Games is pleased to announce that it has secured the rights to publish Vermillion Games' (www.vermilliongames.com) innovative new 3D fighting game, Mythic Blades.

Mythic Blades is a 3D real-time fighting game with a classic feel and excellent graphics.

Eric Petersen, chief of operations at Cartel Games (www.cartelgames.com) said, "Vermillion Games is a high quality game development team and we look forward to working with them."

Miguel Angel Pineda Nieto, owner of Vermillion Games commented, "We are happy to be working with Cartel Games and are excited to publish Mythic Blades with them."

Mythic Blades is a visually breath-taking entertainment title which places the player in the role of Legendary Hero or Terrifying Monster during combat to determine the fate of the Olympus. Ares has challenged his father; if Ares wins, he will take over Zeus' place and rule over the Olympus - but the battle does not take place there. Instead it will be fought between Man and Monster.

List of Features:

- 11 legendary characters, taken straight from Greek Mythology, including Perseus, Jason and Medusa.
- 10 Arenas to test skills.
- Visually stunning models, backgrounds and special effects
- 3D arenas with camera control
- 4 skill levels in the single player game
- Watch the story unfold in one player or challenge friends in versus combat.

System Requirements:

- Processor: 600 Mhz
- RAM: 64 Mb
- Video card: 64 Mb
- 100% Open GL Compatible
- Windows 98/ME/2000/XP
- Watch the story unfold in one player or challenge friends in versus combat.
