

Printerm Announces New Line Of MICR Compatible Toner Cartridges For HP, Lexmark, Xerox, Acom, Troy And Sourcetek

For Immediate Release

WILLIMASVILLE, N.Y./EWORLDWIRE/Sep. 30, 2005 --- Printerm today announced a new line of MICR compatible toner cartridges for HP, Lexmark, Xerox, Acom, Troy and Sourcetek.

The use of a reliable MICR (Magnetic Ink Character Recognition) toner is crucial to any check printing operation. Both Printerm's MICR fonts and MICR toner cartridges have been designed to match the specific printer (HP, Lexmark, Xerox, Acom and Sourcetek) and to ensure the optimum density and readability of the magnetic characters. Printerm only provides sealed and tested MICR toner cartridges guaranteed to meet all banking industry standards.

Printerm toner cartridges provide state-of-the-art MICR toner transfer and adhesion. This ensures that the complete MICR line will remain on the check throughout the rigorous check clearing process and will be read by the high speed reader/sorting machines used by the banking industry to process checks.

Printerm is a leader in providing high quality MICR toner cartridges. Printerm fully complies with ABA/BMA Center for Banking Information, American National Standards Institute, Bank Administration Institute and the Canadian Bankers Association.
