

Seeking Counsel In The Family Business With Howard Dayton, CEO Of Crown Financial Ministries This Week On Family Business Doctor

For Immediate Release

RALIEGH, N.C./EWorldWire/Nov. 2, 2005 --- This week, Host Fred Hathaway and Family Business Doctor Wayne Rivers discuss Seeking Counsel in the Family Business with guest Howard Dayton, co-founder and CEO of Crown Financial Ministries. Family Business Doctor will air on the business channel of Voice America Network (Voiceamerica.com) Thursday November 3, 2005 at 2:00 p.m. EST.

This episode of Family Business Doctor will explore why family business owners resist seeking counsel in their business decisions. Dayton will discuss how he works with business owners to set priorities for their lives and plan for their futures. Rivers will share one of the most common and costly mistakes that family business owners make, and the prescription for a healthy family business to avoid this mistake. Business owners need to realize their mortality and take the necessary steps to get solid counsel and make a priority of documenting their end-of-life plans as the ultimate way of letting the business be a blessing rather than curse to their spouse and children.

Access to the Family Business Doctor program is free and can be downloaded from the Voiceamerica.com website after the broadcast. The show runs weekly on Voiceamerica.com Thursdays at 2:00 p.m. EST.

Rivers is the president of the Family Business Institute and author of "You Don't Have to Die To Win" and "Prescriptions for a Healthy Family Business." The Family Business Institute specializes in helping family and closely-held businesses maximize their success.
