

ControlScan Certifies DotComTucson.com As A Safe Shopping Site

In an effort to increase its Internet security, dotcomtucson.com, an informational guide about Tucson, Ariz., today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWORLDWIRE/April 6, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, DotComTucson.com hired ControlScan and subscribed to the Business Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of Dotcomtucson.com and certify the site's security.

Once a company passes the security process associated with the Business Secure Plan, it receives the Hacker Defended, ID Theft Protected and Business Background Reviewed certificates. These certificates are renewed daily, allowing Dotcomtucson.com's customers to receive independent third-party verification of the site's actual security before they decide to give out sensitive personal data.

About Dotcomtucson.com

Dot Com Tucson is an online guide for Tucson, Arizona vacation and travel information, including events, attractions, resorts, real estate and golf. Its locally created and maintained, spyware-free city portal features a searchable calendar of Tucson, Arizona events, restaurants reviews, entertainment suggestions and more.

About Controlscan.com

ControlScan provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate Web properties. Its solutions provide the visibility and control necessary to evaluate a company's Web property risk exposure, and to put processes and procedures in place to effectively implement online governance strategies.
