

ControlScan Certifies Lenexpo-Electronics.com As A Safe Shopping Site

In an effort to increase its Internet security, Lenexpo-Electronics.com, the leading suppliers of audio video and computer accessories, today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWorldWire/April 10, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, lenexpo-electronics.com hired ControlScan and subscribed to the Business Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of lenexpo-electronics.com and certify the site's security.

"Privacy and security are the main concerns of consumers," said ControlScan President and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Business Secure Plan, lenexpo-electronics.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."

About lenexpo-electronics.com

Lenexpo Electronics is one of the largest suppliers of audio video and computer accessories. It offers audio video and XLR cables, connectors, DVI cable, HDMI cables, line doublers, video scalars, HDMI switchers, DVI switches, DVI switchers, banana plugs, Rca connectors, LCD Plasma stands and mounts and more.

About Controlscan.com

Controlscan.com provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate web properties. Its solutions provide the visibility and control necessary to evaluate a company's Web property risk exposure, and to put processes and procedures in place to effectively implement online governance strategies.
