

Control Scan Certifies Boatinggauges.com As A Safe Shopping Site

In an effort to increase its Internet security, Boatinggauges.com, the leading provider of brand name marine electronics and fishing equipment, today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWorldWire/April 10, 2006 --- "Privacy and security are the main concerns of consumers," says ControlScan President and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Business Secure Plan, boatinggauges.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."

Once a company passes the security process associated with the Business Secure Plan it receives the Hacker Defended, ID Theft Protected and Business Background Reviewed certificates. These certificates are renewed daily, allowing boatinggauges.com's customers to receive independent third-party verification of the site's actual security before they decide to give out sensitive personal data.
