

Control Scan Certifies 4ElectronicWarehouse.com As Safe Shopping Site

In an effort to increase its Internet security, 4ElectronicWarehouse.com , a leading online supplier of consumer electronics, today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWorldWire/April 17, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, 4ElectronicWarehouse.com hired ControlScan and subscribed to the Business Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of 4ElectronicWarehouse.com and certify the site's security.

"Privacy and security are the main concerns of consumers," says ControlScan President and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Business Secure Plan, 4ElectronicWarehouse.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."

About ControlScan

ControlScan provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate web properties. ControlScan solutions provide the visibility and control necessary to evaluate a company's Web property risk exposure, and to put processes and procedures in place to effectively implement online governance strategies. For more information, visit Controlscan.com or call, toll free, at 1-800-825-3301 x110.
