

ControlScan Certifies Cozyandwarm.com As A Safe Shopping Site

In an effort to increase its Internet security, Cozyandwarm.com, the leading retailer of fireplace tools and accessories, today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWorldWire/April 26, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, Cozyandwarm.com hired ControlScan and subscribed to the Corporate Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of Cozyandwarm.com and certify the site's security.

"Privacy and security are the main concerns of consumers," says ControlScan President and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Corporate Secure Plan, Cozyandwarm.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."

About Cozyandwarm.com

A passion for the quality home products, a dream and long hours helped Cozyandwarm.com start a site devoted to fireplace tools, screens and accessories. Its strategic partnerships allow the consumer to furnish their home with high quality fireplace tools that are sure to become family heirlooms.

Once consumers experience the easy to shop Web site, Cozyandwarm.com will be the first place searched for outdoor living products. The company's goal is to provide customers with a truly rewarding shopping experience every time they visit Cozyandwarm.com.

About ControlScan

ControlScan provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate web properties. ControlScan solutions provide the visibility and control necessary to evaluate a company's Web property risk exposure and to put processes and procedures in place to effectively implement online governance strategies.
