Brinker, a senior at Lakeside High School, was selected for the award from over 10,000 applicants. She will attend Kansas State University in the fall. Nobel stated, "I am deeply honored to recognize Kimberly as one of our most outstanding students. I am confident that this young scholar will someday have a major impact on our global landscape."

The Nobel family established the Nobel Prizes in 1901 in order to note outstanding contributions in the fields of peace, literature, medicine, chemistry and physics. More than a century later, these internationally renowned awards continue to distinguish scientists, authors, and leaders in a world forum.
