

ControlScan Certifies LuxuryCorner.com As A Safe Shopping Site

In an effort to increase its Internet security, LuxuryCorner.com , the leading provider of fine collectible goods for distinguished tastes, today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWorldWire/May 16, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, LuxuryCorner.com hired ControlScan and subscribed to the Business Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of LuxuryCorner.com and certify the site's security.

"Privacy and security are the main concerns of consumers," says ControlScan president and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Business Secure Plan, LuxuryCorner.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."
