

Fertile Mind Glamourmom Maternity Nursing Bra Tank Is Now Available

Maternity bras have just become a lot more user-friendly, with the arrival of the first Glamourmom Maternity Bra Tank.

For Immediate Release

SEAFORTH, Australia/EWORLDWIRE/June 23, 2006 --- Maternity bras have just become a lot more user-friendly, with the arrival of the first Glamourmom Maternity Bra Tank. It looks a lot like a fashionable maternity tank top, but hidden inside is the patented super-comfortable maternity bra.

Glamourmom maternity bra tanks give women support throughout the day and while they sleep. The elastic shelf bra is unclipped at the bra straps, allowing the baby easy access to the breast but without telltale seams or openings in the top itself.

Glamourmom's built in bra also offers more support than other breastfeeding tops on the market. Its wider and longer design is especially flattering for the few months after the baby is born. The Glamourmom Maternity Tank is sold through maternity and baby stores and at www.fertilemind.com.au for \$59.95 RRP.
