

ControlScan Certifies Denverfabrics.com As A Safe Shopping Site

In an effort to increase its Internet security, Denverfabrics.com , a leading online fabric retailer, today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWorldWire/June 27, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, Denverfabrics.com hired ControlScan and subscribed to the Business/Corporate/Enterprise Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of Denverfabrics.com and certify the site's security.

Once a company passes the security process associated with the Corporate Secure Plan it receives the Hacker Defended, ID Theft Protected, Privacy Protected and Business Background Reviewed certificates. These certificates are renewed daily, allowing Denverfabrics.com's customers to receive independent third-party verification of the site's actual security before they decide to give out sensitive personal data.
