

ControlScan Certifies OnePoundWebHosting.co.uk As A Safe Shopping Site

In an effort to increase its Internet security OnePoundWebHosting.co.uk today announced that it has become certified by ControlScan, the Internet's first and only B2B third-party identity theft certification service.

For Immediate Release

MARIETTA, Ga./EWORLDWIRE/July 7, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, OnePoundWebHosting.co.uk hired ControlScan and subscribed to the Corporate Plan. Through its unique process, ControlScan will conduct security tests and audits of OnePoundWebHosting.co.uk and certify the site's security.

"Privacy and security are the main concerns of consumers," said ControlScan president and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Corporate Secure Plan, OnePoundWebHosting.co.uk's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."
