

ControlScan Certifies Americanag.com As A Safe Shopping Site

In an effort to increase its Internet security, Americanag.com, a leading online supplier of indoor gardening supplies, today announced that it has become certified by ControlScan.

For Immediate Release

ATLANTA./EWorldWire/July 11, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, Americanag.com hired ControlScan and subscribed to the Corporate Plan. Through its unique process, ControlScan will conduct security tests and audits of Americanag.com and certify the site's security.

About ControlScan

ControlScan provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate Web properties.
