

ControlScan Certifies BatteryCentralMall.com As A Safe Shopping Site

In an effort to increase its Internet security, BatteryCentralMall.com, the internet's leading online specialty battery retailer, today announced that it has become certified by ControlScan.

For Immediate Release

ATLANTA/EWORLDWIRE/July 14, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, BatteryCentralMall.com hired ControlScan and subscribed to the Corporate Plan. Through its unique process, ControlScan will conduct security tests and audits of BatteryCentralMall.com and certify the site's security.

"Privacy and security are the main concerns of consumers," says ControlScan president and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Corporate Secure Plan, BatteryCentralMall.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."

About BatteryCentralMall.com

Battery Central Mall carries the largest selection of name brand cutting edge - high performance batteries and flashlights for consumers and businesses then any other company. Batteries for racecars, airplanes, motorcycles, laptops, camcorders, ups systems, flashlights and even hearing aid batteries. Name brands, high quality, low prices and great customer service keep customers coming back.

About ControlScan

ControlScan provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate Web properties. ControlScan solutions provide the visibility and control necessary to evaluate a company's Web property risk exposure, and to put processes and procedures in place to effectively implement online governance strategies.
