

ControlScan Certifies HSAforAmerica.com As A Safe Shopping Site

In an effort to increase its Internet security, HSAforAmerica.com, the nation's leading independent health insurance firm, today announced that it has become certified by ControlScan.

For Immediate Release

ATLANTA, Ga./EWORLDWIRE/July 17, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, HSAforAmerica.com hired ControlScan and subscribed to the Corporate Plan. Through its unique process, ControlScan will conduct security tests and audits of HSAforAmerica.com and certify the site's security.

About HSAforAmerica.com

HSA for America is the nation's leading independent health insurance firm specializing in individual and family coverage that works with a Health Savings Account. Through its comprehensive Web site it offers complete information on HSAs and qualifying health insurance plans. HSAforAmerica.com offers instant quotes, online health insurance applications and access to several banks that can act as an HSA administrator for an account.

Enabling the well-informed consumer, HSAforAmerica.com Web site includes detailed instructions on how to compare plans and choose the best option. HSAforAmerica.com also offers a free report entitled The Complete Consumer's Guide to HSAs which will answer virtually any question. Its praised "Maximize Your HSA" newsletter provides ongoing tips on how to save money on prescription drugs and lab fees, how to choose the right HSA administrator, strategies for minimizing taxes and maximizing the return on HSA investments, and much more.

Making the process easy, in addition to keeping its customers well informed, it prides on making the purchase of health insurance easy and hassle free. Complete information, instant quotes and applications are available online. E-mail HSAforAmerica.com for questions; it has personal consultations available for those who would like additional assistance.

Finally, HSAforAmerica.com not only earns its business today, but will continue to earn it as the years go by. Because rates go up and needs change, every year it offers to do a Comprehensive Policy Review, in which once again compare a customer's plan to other available options. By reviewing a customer's coverage on a regular basis and helping to change plans when it is financially beneficial, HSAforAmerica will help save thousands of dollars over the coming years.

About ControlScan

ControlScan provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate Web properties. ControlScan's solutions provide the visibility and control necessary to evaluate a company's Web property risk exposure, and to put processes and procedures in place to effectively implement online governance strategies.
