

Link Limos Inc. Drivers Go The Extra Mile To Change The Face Of Wedding And Bridal Transportation

Link Limo drivers will ensure those unforeseen details are handled flawlessly

For Immediate Release

WASHINGTON, D.C./EWorldWire/April 20, 2007 --- Link Limos Inc. is excited to announce the launch of its new limousine service that is guaranteed to change the face of wedding and bridal transportation services. With this launch right on the cusp of prom and wedding season, the timing couldn't be better.

Having the understanding that a woman's wedding day must merit flawlessness from beginning to end, Link Limos currently offers a wide range of vehicles, services and packages for today's bride. These services are guaranteed to adhere to the "what you need is what you get" mentality to ensure a seamless day for today's bride. From the minute her trained chauffeur arrives in her driveway until the second she takes her shoes off after a night of dancing, Link Limos is designed to meet the wedding transportation needs for all of those moments in between.

Link Limos drivers are trained to attend to those tiny details that today's bride doesn't think of but makes the difference between a good day and a flawless one. Choose from a range of vehicles that includes either a more intimate luxury town car setting or a luxurious stretch limousine that is designed to help newlyweds catch a breath in between the day's hectic moments. Link Limo's wedding services and amenities are geared to ensure complete satisfaction and faultless execution to ensure unparalleled safety and quality in wedding day transportation service.

Link Limousine Services started the luxury transportation market in 2001 and now works to service all major metropolitan areas nationwide and in Canada. The company has since grown and has access to over 1600 fleet members including sedans, stretch limousines, vans and party buses. Link Limos Inc. provides specialized transportation services for corporate and executive accounts, airport transfers and pickups, special event planning, sporting events and any occasion where luxury ground transportation is required. Headquarters are located in Springfield, Va.
