

## Zymol Says "Yes" at Concorso Italiano

For Immediate Release

KILLINGWORTH, Conn./EWorldWire/Sep. 4, 2007 --- On a crisp northern California day, while taking in the breathtaking beauty of Italian automotive design, the entrants and spectators of Concorso Italiano were treated to a new idea in protecting their passion - the word "Yes."

The company who has, for over two decades, been providing the world's most exclusive automotive care products, now offers the ultimate in protection - Zymol Private Client Insurance.

"We bring to insurance our dedication to perfection without sacrifice," states John Dendas Zymol Private Client president. "Whether it's simple insurance for a collector car or to address the complexity of business liability, we are the single source."

The Zymol Private Client program starts its magic with the word "yes" and follows through by assigning each client a team member to shepherd their every need.

"Zymol Private Client Insurance is not based upon rigid arcane rules - it's based upon what the customer wants and needs," says Dendas.
