

Zymol Helps Preserve History at Pebble Beach Concours D'Elegance

For Immediate Release

KILLINGWORTH, Conn./EWorldWire/Sep. 4, 2007 --- A repeat final showdown on the 18th Green witnessed more than 20 beauties including Best-of-Show taking awards and cheers from the adoring crowd and officials. Again, the expertise and products needed to help these winners at the Pebble Beach Concours d'Elegance was provided by the world's most exclusive automotive care products company, Zymöl.

"The Pebble Beach Concours d'Elegance is the ultimate marriage of mechanics and art - our work is supporting the restorers art of preserving history," stated Charles Bennett, Zymöl CEO. "Devoted crowds would be shocked to know what skills are required to research, restore, transport, prepare and judge these vintage cars from around the globe - truly the details are staggering."

The Zymöl Concours Team starts its magic weeks before the event and assigns team members to shepherd each entry up to and including the event judging.

"We congratulate every entrant and we are expanding our team and available services to support their every need and vision."

Zymöl's next challenge is bringing its extremely successful European Licensed Detailer Programme to the United States.

About Zymöl

Zymöl (pronounced ZYE-mol) is the world's leading producer of premium automotive care products. Its effectiveness, natural ingredients, environmental compatibility and adoption by the automotive elite distinguish Zymöl in the market.

Since 1980, Zymöl's washing, cleaning and feeding formulas have been used to protect and shine some of the finest cars in the world. From Auto Wash(TM) to Vintage(TM) Estate Glaze, there are Zymöl products to suit any budget, need or vehicle.

Hand-crafted Zymöl paste waxes are based on a carriage maker's formula developed in Bischofsheim, Germany in the late 1800s.

Zymöl is dedicated to helping present and future generations preserve and protect the contributions made by the designers, manufacturers, collectors and restorers of motorised and non-motorised works of art, new or old - Zymöl preserves history.
