Reverse Mortgage Document Preparation

Bay Docs, Inc. Hires Alan Clark As Executive Vice President/ Chief Legal Officer And Patrick Silver As Vice President Of Compliance

For Immediate Release

NOVATO, Calif./EWorldWire/Sep. 24, 2008 --- Bay Docs Inc. a document preparation company dedicated solely to the reverse mortgage industry, announces the hiring of two reverse mortgage industry veterans to continue to bolster the services offered to their clients.

Alan Clark joins as executive vice president and chief legal officer. Patrick Silver joins as vice president of compliance. Both are coming on board with a combined twenty-five years of mortgage experience, the last twelve of which centered on reverse mortgage documents. Both are leaving Mortgage Cadence's Finale document division and prior to this employment, both worked for First American Nationwide Documents.

"We are very excited to bring them on board. Having in-house legal and compliance officers will greatly enhance our services and provide us with the ability for real time answers to the multitude of industry questions. They will be an excellent compliment to our existing legal relationship with Arthur Axelson of Reed Smith," states Megen Lawler, CEO and founder of Bay Docs Inc.

Having been in the reverse mortgage industry for 15 years is what sets Bay Docs apart from its competition. "We are constantly looking at ways to better our services for our end users," Ms. Lawler announces adding, "and I'm positive there will be more announcements forthcoming."

Bay Docs Inc. is solely committed to the reverse mortgage industry and does not provide forward mortgage services. This dedication to the industry confirms our knowledge of the reverse mortgage industry and commitment to clients. Bay Docs Inc. was established in September, 1994, and solely provides document services to lenders in the reverse mortgage industry. The company prepares loan application and closing packages for lenders who offer the Home Equity Conversion Mortgage (HECM) and Home Keeper loan programs. Document services for lenders wanting to establish their own reverse mortgage proprietary product are available.
