PHOTO AVAILABLE: IQeye 4 Series Dome: Superior Performance In Attractive Mini-Dome Package

New dome camera model latest addition to IQeye BASIC LINE

For Immediate Release

SAN JUAN CAPISTRANO, Calif./EWorldWire/March 25, 2009 --- IQinVision (<http://www.iqeye.com>), market leader in high-performance megapixel IP security cameras, intelligent network cameras, and IP video recording systems, today announced further expansion of the IQeye 4 Series product line with the release of the IQeye 4 Series Dome model.

The IQeye 4 Series Dome camera offers high performance in an entry-level compact, versatile, and attractive mini-dome package. The IQeye 4 Series Dome is available in VGA, 1.3 megapixel, or 2.0 megapixel resolution, making it the highest resolution mini-dome camera in its class. Learn more at '<http://www.iqeye.com>'.

"The 4 Series Dome is a well-timed extension of our IQeye BASIC LINE of cameras," said Paul Bodell, IQinVision chief marketing officer. "Its versatility, ultra-compact size, and easy-to-install design will make the 4 Series Dome the mainstay for any high-definition surveillance installation. This is the kind of camera integrators and installers will want to keep readily on hand since it can be used in any application."

The new IQeye 4 Series Dome camera is designed for discreet indoor use, and it works perfectly for ceiling surface mount applications. An optional mounting accessory kit expands mounting options to include wall and pendant mounting.

The IQeye 4 Series Dome and associated accessories will be publicly unveiled in booth #5135 at the upcoming ISC West tradeshow in Las Vegas, Nevada, April 1-3, 2009. Customer shipments will commence the first week of June.

About IQinVision

IQinVision is the world leader in megapixel IP video. Since 1998, IQinVision has been designing, manufacturing, and marketing the IQeye family of high-performance network cameras, intelligent cameras, and network video recording (NVR) systems. Committed to leading the industry with highly-valued products and customer service, IQinVision was first to market with HDTV and megapixel cameras and has received numerous awards from Frost & Sullivan, ST&D, Detektor, IIPSEC, and others. IQeye megapixel network security camera systems are renowned for image quality, stability, and reliability in the most demanding network conditions and environments. The IQeye acts as a stand-alone NVR or integrates with third-party NVR and video analytics software for enterprise-wide deployments. IQinVision products are available as IQeye-brand, private-labeled, or OEM models, and have been widely deployed in city center, property management, education, retail, casino, government, transportation, and a number of other vertical market applications. IQinVision is a privately-held corporation headquartered in San Juan Capistrano, Calif., with regional offices in Lancaster, Pa., and Utrecht, Netherlands.
