

Safety Industry Veteran John Tully Joins International Safety Instruments, Inc. As Vice President Of Sales

For Immediate Release

ATLANTA/EWORLDWIRE/Jan. 13, 2004 --- John W. Tully has been named Vice President of Sales at International Safety Instruments Inc. (ISI), a leading manufacturer of respiratory protection devices for fire, law enforcement and industrial users.

A 30-year veteran of the safety industry, Mr. Tully has held senior management positions with several major manufacturers of respiratory protection equipment. Most recently, he was Vice President of Sales and Marketing at Interspiro. His previous positions included General Manager of Sabre Technologies and Marketing Manager of Scott Health and Safety.

At ISI, Mr. Tully has primary responsibility for sales, where he will be working with the sales organization in areas of distributor network and managing relationships with key customers.

An industry leader for more than 20 years, ISI manufactures a full line of quality respiratory protection equipment and thermal imaging systems, providing advanced, timesaving technology to firefighting, law enforcement and industrial users. ISI provides training, service and repair for all of its products. More information on ISI is available by calling toll free: 888-474-7233, or by visiting www.intsafety.com.
